**Please review the calendar to learn about program closings.*

Tadpoles – 45 minute class (18mo – 2 years old)

Children will learn the fundamentals of language through music and movement, playful games and stories, songs and rhymes and visual aids. This class instills in them the love of learning Spanish in a caring and creative environment.

Frogs (2 – 3 years old) – 1 hour class

Children graduate to the next level of learning Spanish when they enter the Frogs program. Children will be encouraged to speak in one word phrases. Arts and Crafts are added to the mix and they begin to learn concepts such as perfecting their colors, basic sorting, sequencing and distinguishing between concepts.

Hoppers (3 – 4 years old) – 1 hour class

Children at this level are beginning to learn the calendar and are encouraged to speak in two word phrases. They are distinguishing concepts with ease, sorting with mastery and counting with confidence. Arts and crafts, music and movement, playful games and stories are all part of the fun.

Schoolhouse – (3-5 years old)

This is a truly one-of-a-kind enrichment program that combines Spanish language immersion with general early childhood education. The extended timeframe allows time for your child to socialize while s/he builds fundamental early childhood skills – such as self-confidence, imagination, reasoning, listening, creativity, socializing and motor coordination – all while learning Spanish in a friendly immersion setting.

Kinderclass – (5 – 6 years old)

Salta offers an extremely well rounded dual language immersion Kinder-program incorporating reading literacy in both languages, writing, science, math, arts and theater. Children are engaged in learning and fun the entire day.

Language Builders – (3.5 – 5 years old)

Your child will immerse themselves in stories while building on essential language skills. For the child who loves stories and has a larger than life personality and imagination, this would be a class that would allow your child to soar.

L.E.A.P

Children can now embark on learning conversational Spanish, grammar, reading comprehension and writing skills, as well as learning the sounds, flavors, artistic creativity, sports and dance of the Latin culture. Children will not only be immersed in the Spanish language but also immersed in its culture.
